Select one of the following:

- BIOL 114 | Organisms and Environments                                                | 4     |
- BIOL 115 & 115L | Cells and the Evolution of Life and Cells and the Evolution of Life Laboratory | 3 |

Select the following:

- MATH 143 | College Algebra                                                          | 6     |

**Foundational Ag Communications & Leadership Courses**

Select 9 credits of the following:

- AGED 252 | Developing Collegiate and Community Organizations                        | 1     |
- AGED 301 | Undergraduate Research                                                    | 1     |
- AGED 350 | Leadership Event Coordination                                              | 1     |
- AGED 359 | Developing 4-H Youth Programs                                              | 1     |
- CLDR 360 | Leadership and Community Dynamics                                         | 1     |
- CLDR 480 | Change and Power in a Global Society                                       | 1     |

Select 24 credits from 3 of the following subject areas. A minimum of 12 credits must be upper-division (300 or 400). At least two areas must be from the College of Agricultural and Life Sciences (CALS). One area can be from the College of Natural Resources (CNR).

### CALS Subject Matter Areas

- Agricultural Economics [https://catalog.uidaho.edu/courses/agec/](https://catalog.uidaho.edu/courses/agec/)
- Agricultural System Management [https://catalog.uidaho.edu/courses/asm/](https://catalog.uidaho.edu/courses/asm/)
- Animal and Veterinary Science [https://catalog.uidaho.edu/courses/avs/](https://catalog.uidaho.edu/courses/avs/)
- Enology [https://catalog.uidaho.edu/courses/eno/](https://catalog.uidaho.edu/courses/eno/)
- Food Science [https://catalog.uidaho.edu/courses/fsc/](https://catalog.uidaho.edu/courses/fsc/)
- Plant Science/Rangeland Ecology Management [https://catalog.uidaho.edu/courses/plsc/](https://catalog.uidaho.edu/courses/plsc/)
- Soils [https://catalog.uidaho.edu/courses/soil/](https://catalog.uidaho.edu/courses/soil/)

### CNR Subject Matter Areas

- Forest Resources [https://catalog.uidaho.edu/courses/for/](https://catalog.uidaho.edu/courses/for/)
- Natural Resources [https://catalog.uidaho.edu/courses/nr/](https://catalog.uidaho.edu/courses/nr/)
- Natural Resources and Society [https://catalog.uidaho.edu/courses/nrs/](https://catalog.uidaho.edu/courses/nrs/)
- Wildlife Resources [https://catalog.uidaho.edu/courses/wlf/](https://catalog.uidaho.edu/courses/wlf/)

### Leadership & Communication Electives

Select 21 credits from the list of courses:

- Any COMM Prefix [https://catalog.uidaho.edu/courses/comm/](https://catalog.uidaho.edu/courses/comm/)
- Any JAMM Prefix [https://catalog.uidaho.edu/courses/jamm/](https://catalog.uidaho.edu/courses/jamm/)
- AGED 252 | Developing Collegiate and Community Organizations                        | 1     |
- AGED 301 | Undergraduate Research                                                    | 1     |
- AGED 350 | Leadership Event Coordination                                              | 1     |
- AGED 359 | Developing 4-H Youth Programs                                              | 1     |
- AGED 407 | Global Agricultural & Life Sciences Systems                               | 1     |
- AGLS 494 | CALS Peer Leaders                                                         | 1     |
- AGLS 495 | CALS Ambassadors                                                          | 1     |
- CLDR 360 | Leadership and Community Dynamics                                         | 1     |
- CLDR 480 | Change and Power in a Global Society                                       | 1     |
- EDCI 410 | Technology, Teaching and Learning                                        | 1     |
- MHR 311 | Introduction to Management                                                | 1     |
- MHR 413 | Organizational Behavior                                                   | 1     |
- MHR 418 | Managing Organization Design and Leading Changes                          | 1     |
- NRS 311 | Public Involvement in Natural Resource Management                         | 1     |
- ORGS 110 | Governance in Small Organizations                                         | 1     |
- ORGS 305 | Nonprofit Organizations                                                   | 1     |
- ORGS 312 | Practical Gerontology                                                    | 1     |
- ORGS 320 | Budgeting for Small Organizations                                         | 1     |
- ORGS 322 | Workplace Soft Skills                                                    | 1     |
- ORGS 323 | Messaging for Small Organizations                                         | 1     |
- ORGS 407 | Advanced Nonprofit Organizations                                          | 1     |
- ORGS 435 | Personnel                                                                | 1     |
The degree map is a guide for the timely completion of your curricular requirements. Your academic advisor or department may be contacted for assistance in interpreting this map. This map is not reflective of your academic history or transcript and it is not official notification of completion of degree or certificate requirements. Please contact the Registrar’s Office regarding your official degree/certificate completion status.

1. Students will identify leadership skills associated with careers in the food, fiber, and natural resources system.
2. Students will develop an individualized plan to gather technical agriculture knowledge and skills to be successful in the food, fiber, and natural resources industry.
3. Students will investigate agricultural leadership and communications through an industry-based internship experience.
4. Students will develop a comprehensive knowledge of scientific and economic principles associated with agriculture.
5. Students will examine practical applications of leadership and communication in agricultural industry settings.
6. Students will create oral and written communications based on agricultural content.
