Master of Science. Major in Plant Science. (Thesis Option)

General M.S. requirements apply. These requirements include a formal program of at least 30 semester hours to be chosen in consultation with the major professor and approved by the student's supervisory committee. Candidates for this degree must complete an independent research project and submit an acceptable thesis as well as pass a final oral examination.

Master of Science. Major in Plant Science. (Non-thesis Option)

General M.S. non-thesis requirements apply.

1. Students will be able to create, plan, organize, and prepare to conduct original research.
2. Students will be able to analyze and evaluate their original research against published literature and communicate their findings to other scientists, stakeholders, and the general public.
3. Students will be able to organize and critique scientific information when working with peers, staff, or faculty from different backgrounds and cultures.
