ATHLETIC TRAINING (M.S.A.T.)

Master of Science in Athletic Training. Major in Athletic Training.

The M.S.A.T. is an entry level program designed to prepare students to become a certified athletic trainer. After successful completion of this program students will be eligible for the athletic training national Board of Certification Exam.

M.S.A.T. Admission Requirements.

Students are eligible to apply for admission to the MSAT program via two distinct routes:

Students who have obtained a bachelor's degree (3.0 or >3.0) and the required prerequisite coursework (4 credit hours of human anatomy or equivalent & 4 credit hours of human physiology or equivalent) are eligible for consideration of admission to the MSAT.

OR

Students who are enrolled in an academic institution with whom the University of Idaho and the MSAT have a 3+2 transitional program articulation 1 agreement may apply to the MSAT during their junior year of study for entrance in early summer with Tentative Admittance 2. Students must be approved for application to the 3+2 program from their specified undergraduate program director (and have met the criteria within the articulation agreement) before they apply to the MSAT. 3

1 Students in the Pre-Athletic Training Emphasis who are admitted into the MSAT program after their junior year may count up to 30 credits of graduate level course work from the first year of the MSAT program towards the upper-division requirement (see J-1-(https://catalog.uidaho.edu/general-requirements-academic-procedures/j-general-requirements-baccalaureate-degrees/)) of the BSESHS degree in Exercise, Sport, and Health Sciences with an Athletic Training Emphasis. Up to 8 of 30 credits of graduate level course work from the first year of the MSAT program may be counted towards the residency requirements (see J-2(https://catalog.uidaho.edu/general-requirements-academic-procedures/j-general-requirements-baccalaureate-degrees/)) for the BSESHS degree. For more information on the MSAT see the Graduate Degree Programs section for this department.

2 Students may be admitted to the MSAT 'Tentatively', without first having had completed a Bachelor's degree. These students will apply the first two semesters of the MSAT curriculum to their undergraduate degree in order to satisfy their Bachelor's degree requirements. Students will apply for graduation during the Fall of their first year in the MSAT program and will have the 'Tentative Admittance' removed upon fulfilling all requirements of their Bachelor's degree program.

3 The 3+2 program will meet all other admission standards set forth by the College of Graduate Studies and the Masters of Science in Athletic Training Program.

The M.S.A.T. in Athletic Training requires the following courses:
