- Elective Course 3

Hours 15

The degree map is a guide for the timely completion of your curricular requirements. Your academic advisor or department may be contacted for assistance in interpreting this map. This map is not reflective of your academic history or transcript and it is not official notification of completion of degree or certificate requirements. Please contact the Registrar’s Office regarding your official degree/certificate completion status.

1. Seniors will understand and apply anthropological research methods to a project involving a synthesis of the student’s undergraduate anthropological coursework.
2. Students will understand anthropological history and theory and will be able to apply theory to anthropological issues.
3. Students will engage in professional and experiential learning outside of the classroom.
4. Students will understand and explain cultural and human diversity.
