Criminology, Major Elective Course	3
B.S. Course Requirement	3
Elective Course	3
Elective Course	2
Hours	14
Total Hours	120

The degree map is a guide for the timely completion of your curricular requirements. Your academic advisor or department may be contacted for assistance in interpreting this map. This map is not reflective of your academic history or transcript and it is not official notification of completion of degree or certificate requirements. Please contact the Registrar's Office regarding your official degree/certificate completion status.

1. Students will demonstrate an understanding of the origins of criminal behavior, society's response to crime, and the consequences of crime to our society, utilizing multiple theoretical perspectives.
2. Students will demonstrate knowledge of methodological approaches used by social scientists to understand crime and crime control.
3. Students will analyze and interpret the diversity of social experience associated with criminology and society, especially as they relate to race, class, gender, gender identity and expression, age, sexual preference, religion and nationality.
4. Students will articulate the ethical and social implications of justice and criminology.
