| Total Hours   | 12 |

Courses to total 12 credits for this certificate

The student will be able to...
- develop a professional portfolio to use on the job market,
- enter and successfully communicate in professional environments,
- be strong rhetors who add to their existing skills and backgrounds to solve technical communication problems and produce visual and verbal communication,
- translate discipline-specific discourse to meet the needs of audiences with lower levels of technical expertise,
- articulate the affordances and constraints of technologies to stakeholders,
- communicate solutions to rhetorical problems in a variety of print and digital genres.
