INTERDISCIPLINARY ACADEMIC MINORS

A student may present a minor curriculum not included among the ones listed elsewhere in this catalog. The program must include at least 24 credits and be approved by:

1. at least one faculty member from each of the participating departments,
2. the chair of one of the departments involved, and
3. in the case of minors that involve a department in the College of Letters, Arts, and Social Sciences, the Dean or Associate Dean of CLASS.

In some cases, the Dean or Associate Dean of CLASS may approve participation by departments from other colleges and universities. Participation of such departments may be permitted as long as one of the participating departments in the program is a CLASS department, and other University of Idaho and CLASS requirements are met.
