The degree map is a guide for the timely completion of your curricular requirements. Your academic advisor or department may be contacted for assistance in interpreting this map. This map is not reflective of your academic history or transcript and it is not official notification of completion of degree or certificate requirements. Please contact the Registrar's Office regarding your official degree/certificate completion status.

- 1. Students exhibit knowledge of diverse philosophical positions in metaphysics, epistemology, ethics, and social/political philosophy.
- 2. Students can distinguish between the normative and non-normative claims of a text and evaluate the arguments for these claims.
- 3. Students can write an analytic essay that exhibits both critical thinking and effective argumentation about philosophical topics.
