Letter Designations with Numbers
Certain course numbers also include letters preceding the number (i.e. R101, C100):

C - offered by correspondence study only.
H - offered only in University Honors Program.
J - courses conducted jointly, e.g., MUSA J365/J565 (Chamber Ensemble), in which students' assignments and expected levels of performance reflect the levels for which they are enrolled.
R - offered only at the University of Idaho at Idaho Falls.

Subtitled Courses
An "s" in parentheses between the number and title of a course indicates that the course may be offered under the main title and/or with an appended subtitle, e.g., "Seminar" and/or "Seminar in the History of the Pacific Northwest." The specific area normally will be listed in the Class Schedule as a separate section of the main course.

Credit Designations
Immediately following each course title, the number of credits authorized is shown in parentheses. Typical designations are:

- (3 credits) - three semester credits (for courses with more than one number, e.g., 101-102-103, the three credits apply to each number).
- (1-3 credits) - one to three semester credits.
- (3 credits; 2 credits) - three credits fall semester; two credits spring semester.
- (1-3 credits, max 3) - one to three credits during any academic session and the course may be repeated until the maximum of three credits has been earned.
- (3 credits, max 12) - three credits during any academic session and the course may be repeated until the maximum of twelve credits has been earned (for a course with more than one number, e.g., 301-302, the maximum is overall and applies to the combined numbers).
- (Credit arranged) - credits to be arranged from 1 to 16 credits (may be repeated for credit without restriction as to maximum).
- (1-3 credits, max arranged) - one to three credits during any academic session, and the course may be repeated.

Standard Course Numbers
