AGLS 4940 CALS Peer Leaders (1 credit, max 6)
The CALS Peer Leaders provide students the opportunity to further develop leadership and mentoring skills through a variety of activities involving student mentoring. The objective is to integrate students into college life; create awareness of the academic programs; and be available to guide students by fostering department and college engagement.
Prereqs: Departmental Permission

AGLS 4950 (s) CALS Ambassadors (1-16 credits, max 99)
Credit arranged. Student ambassadors are selected through an application and interview process to represent CALS to future students at recruiting activities and functions. Students will learn skills in leadership, communication, networking, public speaking, and time management. Students will be responsible for visiting high schools, attending college and career fairs, and recruiting events on campus.
Prereqs: Departmental Permission
