Credit arranged

BUS 404 (s) Special Topics (1-16 credits)
Credit arranged

BUS 429 Vandal Solutions (1-3 credits, max 10)
In this class students learn business by doing business. Students will run a business that provides, for a fee, market research products to clients (both external and internal to the UI). Students will apply concepts learned in the business curriculum such as the selling process, the market research process, integrated marketing communications, and cross-functional collaboration. Members of Vandal Solutions decide how profits generated are dispersed with the general guideline being that funds should be used to support student activities such as club activities, field trips, career planning, and scholarships. May involve field trips. Recommended Preparation: Junior standing.
Prereqs: Permission

BUS 490 Strategic Management (3 credits)
General Education: Senior Experience
Capstone, integrative senior experience course focusing on the formulation and implementation of competitive strategy in both domestic and international contexts. Emphasizes approaches that executives take to provide ethical and strategic leadership to an organization as well as approaches used to achieve alignment of strategy with action across the various functional areas of the business. Application of strategy concepts in practice will be stressed. May involve evening exams.
Prereqs: MGT 310, FIN 301, MKTG 321, MIS 350, OM 370; and ENGL 207 or ENGL 308 or ENGL 313 or ENGL 317 or PHIL 201; and senior standing
