**C - CHANGES IN REGISTRATION**

**C-1. Adding a Course**
A student may add a full semester course online through the sixth day of the semester. A student may add a course with instructor approval through the tenth day of the semester. These periods are prorated for accelerated or short courses.

**C-2. Dropping a Course**
A student may drop a full semester course through the tenth day of the semester without a grade of 'W.' This period is prorated for accelerated or short courses. Students may not drop a course by simply staying out of class.

**C-3. Withdrawing from a Course**
Beginning with the eleventh day of the semester and ending with the tenth week of the semester, a student may withdraw from a course. During this period, a grade of 'W' will be recorded on the student's record and will count against their 21-credit withdrawal limit (see regulation C-4). This period is prorated for accelerated or short courses. A student may not withdraw from a course after a final grade has been assigned for that course, even if this occurs before the deadline to withdraw from the course.

**C-4. Credit Withdrawal Limitation**
The number of credits that a student may withdraw from during their undergraduate career at U of I is limited to 21 credits. If a student attempts to drop a course(s) that would bring the total credits they will have withdrawn from above 21, the student will not be allowed to do so. When a student withdraws from the university, the credits in the courses for the semester do not count against the withdrawal credit limitation (see regulation G [https://catalog.uidaho.edu/general-requirements-academic-procedures/g-withdrawal-procedures/]).
