FEES, EXPENSES, & AID

The rates and procedures in this section are subject to change without notice.

The Board of Regents of the University of Idaho approves rate changes each April. For the most current rate information, go to www.uidaho.edu/current-students/student-accounts.

Students are encouraged to register early for classes at the University of Idaho. Information about the registration process is available from the Registrar’s Office at www.uidaho.edu/registrar or 208-885-6731. Student Accounts and Cashiers
Bruce Pitman Center; 208-885-7447; acctrec@uidaho.edu; www.uidaho.edu/current-students/student-accounts

The Student Accounts Office coordinates charges and billing for student’s accounts including tuition and fee charges; room, meals, and family housing charges; student health center, library over dues, parking tickets, and other miscellaneous charges. The office also collects payments, administers payment plans, distributes financial aid refunds, and assists students who have a third party sponsor.

Billing and Payment Information
Students are email billed in July for fall semester and e-mail billed in January for spring semester. Students are also e-mail billed monthly throughout the semester for unpaid balances. All semester fees and tuition are due on or before the first day of each semester. Charges incurred over the course of the semester are considered due in full with 10 days of the posting date. The University of Idaho does not drop courses for nonpayment. Students are responsible for dropping courses prior to the first day of the term to avoid being billed and graded. Accounts with balances due greater than $500 will be blocked from adding/dropping/registration. Transcripts will not be released for students owing the university. Federal loan and grant regulations do not permit using federal financial aid to pay a balance from a prior aid year. Students may access their account information on Vandal Web www.vandalweb.uidaho.edu.

Failure to receive a bill does not relieve students from payment responsibilities.

Credit card payments for fees, tuition, and room and board are not accepted at the cashier's window; these payments need to be made online through Vandal Web. A 2.75% service fee is assessed on credit cards payments of student fees, tuition, and room and board. The fee will not apply to incidental charges, like parking tickets, health center charges, etc. that are paid by credit card at the cashier's window. The University's web check application allows customers to pay online with a checking account and is not subject to the 2.75% service fee.

The Family Educational Rights and Privacy Act of 1974, as amended, also known as the Buckley Amendment, is a Federal law that governs the confidentiality of student records. Generally, the law requires that educational institutions maintain the confidentiality of what are termed "education records," ensures that each student has access to his or her education records, and provides students with a limited opportunity to correct erroneous education records. This means that the University cannot release student records (grades, account information, class schedule, student ID, etc) to anyone other than the student without written consent from the student. A Consent to Release Information form is available for the student to complete and return to the University at www.uidaho.edu/current-students/student-accounts/forms-and-downloads.

E-mail Usage and On-line Account Access: The UI’s official e-mail policy states, “A University assigned student e-mail account shall be the University's official means of e-mail communication with any student required to have a UI e-mail account. Students are responsible for all information sent to them via their University assigned e-mail account.” Accordingly, the Student Accounts Office will use the official UI e-mail address to communicate with students. We send interim billing notices and other information using e-mail only, and it is essential that all students regularly check their UI e-mail accounts. Student Account information is available on Vandal Web under the Student Tab, then Student Accounts, then Student Accounts Center. If parents or other individuals need access to student billing information, the student is responsible for granting them access to the information.

Student Financial Aid Services
Bruce Pitman Center; 208-885-6312; finaid@uidaho.edu; www.uidaho.edu/financial-aid

The office of Student Financial Aid Services assists students and their parents who apply for financial assistance in the form of scholarships, grants, loans, and part-time work to help pay the cost of attending college. These programs may include scholarships, Federal Pell Grants, Federal Supplemental Educational Opportunity Grants (FSEOG), Federal or Idaho State Work Study Programs (FWS or IWS), Federal Direct Loans, Federal Direct Graduate PLUS, and Federal Direct Parent Loans to Undergraduate Students (PLUS). Financial aid is expected to supplement student and family resources. The office also assists students in finding part-time jobs off campus.

Application Process
Priority Dates
Because funds are limited, to receive priority consideration for all available funds, students applicants must submit the Free Application for Federal Student Aid (FAFSA) to the federal processor by the priority date each year. The priority date for 2019-2020 is December 1. This priority date applies to incoming and continuing students, and students starting both fall and spring semesters. The link to the FAFSA page can be found on the Financial Aid homepage, https://www.uidaho.edu/financial-aid. In addition to the FAFSA, students who are new to the university must also have a complete application for admission on file by the December 1 priority date. Students who meet both priority dates will receive first consideration for funds for which they qualify. Students who do not meet both priority dates will still be considered for the guaranteed scholarship programs, Federal Pell Grants, and Federal Direct Loans which are available throughout the year.

Enrollment
Financial aid during the academic year is usually awarded in expectation of full-time enrollment: 12 credits per semester for undergraduate students, 10 credits per semester for law students, and 9 credits per semester for graduate students. If a student is receiving aid as a full-time student, he or she must be registered as a full-time student to receive the aid on the first day of class. Students are required to enroll full-time to receive scholarships, unless the donor specifies special circumstances allowing part-time enrollment. All students must enroll at least half-time (6 credits per semester for undergraduate students or 5 credits per
semester for graduate and law students) to be eligible for Direct Loans. Students must be enrolled in the required number of credits through the 10th day of classes (census date) of the semester to continue receiving financial aid and scholarships for the semester.

For federal loan eligibility determinations, the following enrollment classifications will be used. Undergraduate enrollment will be 6-8 credits for half-time, 9-11 credits for three quarter time, and 12 or more credits for full time. Graduate enrollment will be 5-6 credits for half time, 7-8 credits for three quarter time, and 9 or more credits for full time. Law enrollment will be 5-6 credits for half time, 7-9 credits for three quarter time, and 10 or more credits for full time.

**Work Study**

Students who are awarded Federal Work Study or Idaho State Work Study must earn their award amount through offered part-time employment. Students must indicate their interest in the Work Study program on the FAFSA. Awards based on financial need and available funds are made to students who meet the priority dates.

**Direct Loans**

The University of Idaho participates in the Federal Direct Loan Program. Loan funds are provided to the student directly from the U.S. Department of Education through the University of Idaho rather than coming from a bank or lender. Students who accept these loans are asked to sign a Master Promissory Note (MPN) and complete Entrance Counseling. Students only need to sign a MPN and complete Entrance Counseling once every 10 years. Once the signed MPN and Entrance Counseling are received, the funds will be credited to the student's account.

**Eligible Programs**

Students who have one or more bachelor's degrees or are working toward an additional undergraduate degree or a teaching certificate, and are not yet admitted to graduate school are considered to be second degree-seeking undergraduates and are not eligible for federal grant programs (Pell and SEOG). They are restricted to undergraduate borrowing limits for loan programs. Graduate Students and students in the College of Law are eligible to apply for Direct Unsubsidized and Graduate PLUS Loans. Non-degree-seeking and certificate only students (those not enrolled in a degree program) are not eligible for any type of federal financial aid. Correspondence classes are not included in the determination of enrollment status.

**Satisfactory Academic Progress**

Students at the University of Idaho must maintain Satisfactory Academic Progress (SAP) to receive federal student financial aid. To meet SAP requirements, a student must maintain a minimum cumulative GPA, complete a certain percentage of attempted credits, and complete a degree program before exceeding 150% of required credits.

The requirements to maintain Satisfactory Academic Progress differ based on whether the student is in an undergraduate, graduate, or law degree program. The requirements can be found at www.uidaho.edu/financial-aid/keep-your-aid.

At a minimum, SAP will be reviewed at the end of each spring semester. Students not meeting the stated minimum requirements of SAP are no longer eligible to receive assistance under Title IV HEA programs. For purposes of evaluating satisfactory academic progress, the academic year is defined as summer, fall, and spring. Therefore, the summer performance prior to fall and spring will be included in the review. Students receiving financial aid for the first time are considered to be in good academic standing until they reach the defined annual evaluation time for SAP. It should be noted the eligibility criteria for financial aid differ from those for academic eligibility contained in regulation L-6 (https://catalog.uidaho.edu/general-requirements-academic-procedures/l-academic-standing-probation-disqualification-reinstatement).

Undergraduate students wishing to appeal a suspension of financial aid should complete a Petition for Financial Aid Reinstatement Form and contact the Dean's Office in the college in which they are enrolled. Graduate students should complete a Petition for Financial Aid Reinstatement before they contact the College of Graduate Studies, and law students should contact the College of Law. Any special circumstances concerning the student's academic progress for student financial aid will be reviewed on an individual basis. The Director of Student Financial Aid Services may reinstate a student based on special circumstances unique to that student.

Upon receiving a completed Petition for Financial Aid Reinstatement Form from the student, the student's academic dean (or designee) may recommend a waiver of satisfactory academic progress criteria due to special circumstances detailed on the petition form. If the petition is denied, the Director of Student Financial Aid Services will review the recommendation and make the final determination of whether to waive the suspension for the student. The decision of the academic college and the Director of Student Financial Aid Services may be appealed to the Student Financial Aid Committee, and their decision may be appealed to the Administrative Hearing Board.

If the petition is granted, the suspension will be waived for one term and all federal financial aid/eligibility will be reinstated unless the Academic Plan section of the Petition for Financial Aid Reinstatement form has been completed to encompass multiple terms.

**Scholarships**

Students who wish to apply ONLY for scholarships not based on financial need must do one of the following in order to receive consideration:

1. Students who are attending the university for the first time need to have a complete application for admission, including all transcripts and required test scores (freshmen), on file by the December 1 priority date;
2. Students who are enrolled at the university during the prior spring semester in at least 9 credits for undergraduate students, 10 credits for law students, or 6 credits for graduate students are considered automatically (without completing any additional forms) for scholarships not based on financial need;
3. Students who are enrolled at the university for the prior spring semester but in less than 9 credits for undergraduate students, 10 credits for law students, or 6 credits for graduate students will need to notify the Associate Director for Scholarships in Student Financial Aid Services by December 1 of their interest in scholarships not based on financial need; and
4. Students who previously attended the university but were not enrolled during the prior spring semester, must notify the Associate Director for Scholarships in the Office of Student Financial Aid Services of their intent to enroll by the December 1 priority date.

**Athletic Scholarship Appeal**

Students who have had their athletic scholarship aid reduced or eliminated may appeal the loss of funds by submitting an appeal in writing to the chair of the Student Financial Aid Committee.
Financial aid policies and procedures are subject to change without notice to assure compliance with federal, state and university regulations. The Office of Student Financial Aid Services may be contacted for current information (208-885-6312). Additional information is available at the Financial Aid website, www.uidaho.edu/financial-aid.

**Annual Expenses**

Estimated annual expenses include the cost of undergraduate student fees, nonresident tuition (if applicable), graduate/law/architecture fees (if applicable), room and board, books, and miscellaneous costs (clothing, laundry, transportation, incidentals, social/recreational expenses, fraternal affiliations, and personal needs). For an estimated cost of attendance, see the Financial Aid website, www.uidaho.edu/financialaid.

Students can choose to pay fees in installments. Payment information is shown in the "Deferred Payment of Fees" section further on in this catalog section. Personal checks, bank drafts, money orders, travelers checks, Discover, VISA, and MasterCard are accepted by the university.

**Refund of Fees**

**Regular Withdrawals**

Students who withdraw in accordance with the regulations governing withdrawals are entitled to the following refund of tuition and fees. Refunds are calculated on total fees and tuition charged. Refunds are based on the official date of withdrawal, which is considered to be the date the student begins the withdrawal process. Reduced fees paid by individuals using the employee/employee spouse educational benefit, the senior citizen waiver benefit, or the employee dependent waiver benefit are not eligible for refunds. Special lab and course fees are non-refundable after the second week of class unless otherwise specified by the department charging the fee. All requests for refund of fees must be formally initiated in the semester in which the fees (charges) were incurred. Applicable federal Title IV financial aid funds will be returned to the Department of Education based on statutory regulations.

1. When the official date of withdrawal is prior to or on the first day of classes, 100 percent of fee and tuition charges are refunded.
2. When the official date of withdrawal is after the first day of classes but before the close of the second week of classes, 100 percent of fee and tuition charges are refunded.
3. When the official date of withdrawal is after the close of the second week of classes, no refund is given.

**Medical Withdrawals**

Students who withdraw in accordance with the regulations governing medical withdrawals are covered under the Financial Credit Policy for Medical Withdrawals. The University of Idaho does not generally issue refunds after the refund deadline. However, in instances of medical withdrawals, to encourage students to continue pursuing their education, the University issues financial credits based on the chart below, subject to the following terms:

1. Financial credits are calculated based on the total tuition and fees charged.
2. Financial credits are based on the effective date of the medical withdrawal, as determined by the authorized University official or committee. However, the effective date for financial credit cannot be earlier than the date the student requests a medical withdrawal. In instances where the effective date of a medical withdrawal is before the date a student requests a medical withdrawal, financial credits will be determined as of the date the student requests a medical withdrawal.
3. Financial credits may be used only by the student who was issued such credit. It is not transferable or assignable to others.
4. Reduced fees arrangements, including, but not limited to, any reduced fees paid by individuals using the employee educational benefit, the employee spouse educational benefit, the employee dependent waiver benefit, the senior citizen waiver benefit, or any other institutional waivers are not eligible for financial credits.
5. Special lab and course fees are non-refundable after the second week of the semester, unless otherwise specified by the department charging the fee, and are also not eligible for financial credits.
6. Applicable federal Title IV financial aid funds will be returned to the Department of Education based on statutory regulations. UI policies and protocols regarding scholarships and institutional aid will also apply. Any financial credit received under this policy shall be automatically applied first to pay any debt owed by the student.
   a. When the results of the return of Title IV financial aid funds create an owing balance on the account, any financial credit will be automatically applied to the owing balance on the account. If there is still an owing balance after the financial credit is applied, the student will be billed and the owing balance will be due within ten (10) days of the billing date.
   b. When the results of the return of Title IV financial aid funds and scholarships create a credit balance on the account, the student will not be issued a refund, but rather a financial credit will be placed in a holding account to be used by the student to pay tuition and fees in future semesters. Once the student is registered and charged tuition and fees for a future semester, the student is responsible for requesting that Student Accounts apply the financial credit to pay tuition and fees posted on the student’s account.
7. Any financial credit received under this policy will be valid for the following six semesters (with the summer counting as one semester). For example, if financial credit is received for the Spring 2013 semester, such financial credit must be used by the Spring 2015 semester.
   a. Students who are unable, for medical reasons, to use the financial credit before it expires may petition to request an extension of the expiration date, by following the appeal process described below.
8. Student appeals under this policy are limited to...
a. Mistakes by the University in applying this policy.

b. Requests for extension of credit expiration due to medical reasons.

c. Requests for a result different from that outlined in this policy due to exceptional circumstances that pose unusual hardships. Appeals must be submitted to Vice President for Finance and Administration or designee (“VPFA”), must indicate which of the three reasons above is the basis for the appeal, and must include supporting documentation.

i. In cases where exceptional circumstances pose unusual hardships, the VPFA may determine that a result different from that outlined in this policy is appropriate.

9. Any time before the financial credit expires, a student who received a financial credit under this policy may elect to receive 50% of amount of financial credit in the form of a refund. To do so, students must fill out the Medical Withdrawal Refund Election Form and provide it to Student Accounts before the financial credit expires. This election is final and cannot be reversed.

Medical Withdrawal Fall & Spring Deadlines/Refunds Percentages
