The degree map is a guide for the timely completion of your curricular requirements. Your academic advisor or department may be contacted for assistance in interpreting this map. This map is not reflective of your academic history or transcript and it is not official notification of completion of degree or certificate requirements. Please contact the Registrar's Office regarding your official degree/certificate completion status.

#### **General Marketing Emphasis**

- Students understand the difference between marketing strategy and marketing mix (MKTG 428).
- Students will develop working hypotheses and statistical tests for marketing problems (MKTG 421).
- Students will determine the information needed for decision making (MKTG 421).

#### Sales Management Emphasis

- Students will demonstrate skills in designing and executing sales management programs.
- Students will demonstrate skills in designing and executing consumer research to address specific marketing questions.
- 3. Students will recognize the difference between marketing strategy and marketing mix.

### **Entrepreneurship Emphasis**

- 1. Students will recall gathering and analyzing marketing data.
- 2. Students will recall the consumer behavior process.
- 3. Students will recall the product development process.
- 4. Students will recall promotional mix.
- 5. Students will recall how to determine price.
- 6. Students will recall how to determine appropriate channel.

#### **PGA Golf Management Emphasis**

 Students will demonstrate an understanding of professional golf principles.

### **Marketing Analytics Emphasis**

- Students will demonstrate skills in designing and executing sales management programs.
- 2. Students will recognize the difference between marketing strategy and marketing mix.
- 3. Students will determine the appropriate level, scope, and depth of information required for decision making.
- 4. Students will apply quantitative analytical skills to assess and solve marketing problems/opportunities.
- 5. Students will prepare and analyze data, report the research results, and provide strategic marketing recommendations.
