

REMOTE SENSING OF THE ENVIRONMENT UNDERGRADUATE ACADEMIC CERTIFICATE

All required coursework must be completed with a grade of C or better (O-10-a (<https://catalog.uidaho.edu/general-requirements-academic-procedures/o-miscellaneous/>)).

Code	Title	Hours
Requirement A		
Take all of the following courses:		
FOR/NRS 472	Remote Sensing of the Environment	4
GEOG 385	Foundations of GIS	3
or FOR 375	Fundamentals of Geomatics	
GEOG 483	Remote Sensing/GIS Image Analysis	3
Requirement B		
Select two of the following:		6
FOR 375	Fundamentals of Geomatics	
FIRE 435	Remote Sensing of Fire	
GEOG 424	Hydrologic Applications of GIS and Remote Sensing	
NRS 478	LIDAR and Optical Remote Sensing Analysis	
REM 475	Remote Sensing Application with Unmanned Aerial Systems (UAS)	
Total Hours		16

Courses to total 16 credits for this certificate
